

**EPIC CONFRONTATIONS WITH THEIR ENEMIES...**

Clearly, you have no container to dunk me in, so there's no escape. \*-- Page 10

Page 18,26 \*--- (If you are so inaccurate with your aim, you'll never find the real me.)

Obviously you haven't prepared for my weakness: fortified wine. --\*- Page 13

Page 16 ---\* (The only way out of your sinking trap is by finding a key hidden inside of clamshells at the bottom of the pool.)

The traditional ways will never be replaced, and there is no alternative! \*-- Page 7

Page 19 \*--- (The wooden wall is so rough, you'll have a splintery death before you get to me.)

There's no way for you to get rid of my poisonous phlegm! \*---- Page 1,20

Page 8 \*--- (Unless you've already infiltrated my organization, you'll find it impossible to beat me.)

Well, you can't roll with my rapid-fire jokes, you've got no keen sense of how to roast me. --\* Page 6

Page 25 ---\* (You will see the terrible cost of messing with me!)

You'll need to tan my henchmen's hides before you can get to me! ----\*- Page 21

Page 2 -\*-- (You're such a drag! You'll never get past my wall of slow-cooked pork!!!)

**...AND DON'T FORGET THE TEAM-UPS, WHERE OUR HEROES' ABILITIES COMBINE!**

A pint-size like you couldn't serve me at any establishment. --\* Page 3

Page 5 \*-- (Everyone who has stood up to me has failed, and you'll be no different!)

I won't back down unless you beat me red and blue! --\*--- Page 15,23

Page 17 -\*-- (Without you making a scarf or mittens, I'm too cool to lose!)

My horses are hungry for your blood - unless you suppress their appetite some feed receptacle! ----\*- Page 14,24

Page 12,27 -\*-- (Without holding utility wires, you won't be able to fish me out of my hideout!)

You can see by my flawless skin that I couldn't possibly have a weakness. --\*- Page 9,22

Page 11 ----\* (You won't be able to get one over on me unless, like a recess ball to a pole, you have me chained!)

Your heredity branches need to be of high quality to root out my evil! --\*- Page 4
