

### Garden Growing

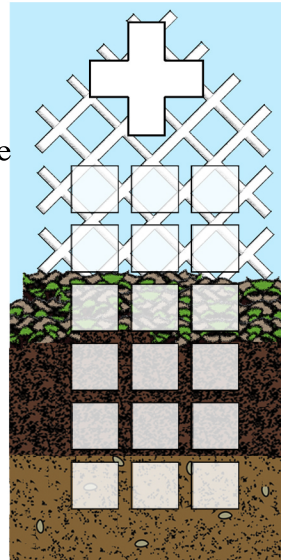

- Take one to not take one; Hall \_\_\_; VIP \_\_\_
- Dislike; convict knuckle tattoo word
- Something you'd do to it like it's hot? or a formulation of rain.
- Cartoon lightbulb, you get it
- A taste from a citrus fruit, probably not sweet enough
- Slimy garden friend - kinda gross; something you'd give someone after seeing a VW Beetle (they deserve it)

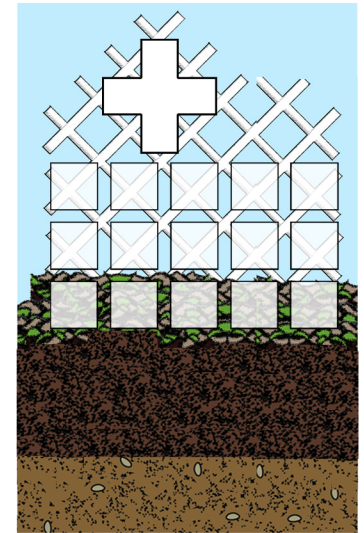

- Where chickens come home to, where they would sit around
- Suspends executions; Alternative to 'goes' - because going out is such a hassle
- What one will do with a TV, as in the living room; something on hand for a time
- Hard to bend, like a body after too much time sitting
- Piece of crash furniture suitable for surfing?
- Used up, as money; exhausted after a day at work (I'm \_\_\_)

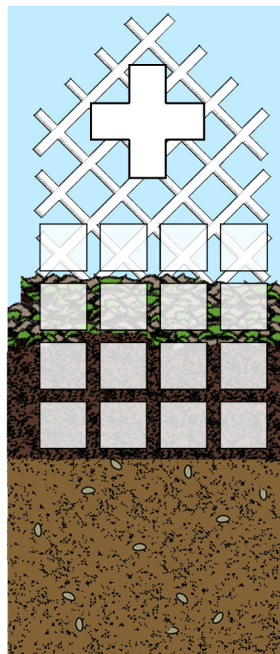

- Highest point; 'the big \_\_\_'; the best (like most successful at their niche)
- Out of place or weird; \_\_\_ Job (the Bond villain who had a great prop gag)
- Edge of something; \_\_\_ shot, like after a great joke
- A hair color that could be associated with clowns
- Result of human creative energies that could appear in museums, or on stage - like prop comedy
- Timing of a line or joke that could be read off of a '\_\_\_ card'

- Cerebral matter (even if yours might not be the biggest)
- One who blindly follows; one who bleats
- The least smart dwarf

- Someone who may not even know it could be this. Like Ginsberg.
- Belonging to me; place that people dig for precious things (ya dig?)
- Ponder without weight; or what a writer might be inspired by (personified by the Greeks)
- Suit, or where you might have a drink and listen to jazz, or spoken word, daddy

- Path splits; the government has three of these, some of which can engage in peace treaties
- Undoubtedly, affirmative, greater than zero; doing good
- Type of animals or disputes
- \_\_\_ toward men; \_\_\_ Hunting;
- Body snatchers plan; militaristic imposition
